

Zen Totz!

Quarter 3

Grades K - 4

Join Mrs. Blackwood after school to promote mindfulness! During our journey together, we will focus on mindful breathing, mindful eating, mindful walking, non-judgment/ self-acceptance, grounding, patience, letting go, gratitude, and more!

- Current research suggests that mindfulness practices in schools result in reductions in behavior problems & aggression, as well as increased happiness & ability to pay attention.
- Mindfulness helps students block out distractions & improve memory skills.
- On an individual level, mindfulness can increase positive emotions, while reducing stress.
